Get your FREE subscription today!!

In order to enjoy the free subscription, all you need to do is to fill in this form and mail it back to

51 Changi Business Park Central 2,
#07-01 The Signature, Singapore 486066
or fax to +65 6787 5115.

- Wireless Design and Development Asia is the only publication in the region focused on meeting the needs of design engineers working on wireless products.
- Wireless Design and Development Asia cover the gamut of Wireless Design issues across platforms, formats and technologies

A. What is the primary product (service) at this location? (Tick on answer only)

Communications

- 401 Communications systems & equipment
- 402 Wireless broadband equipment
- 403 Telecommunication systems & equipment
- 404 Cellular / handphone equipment & systems
- 405 Service provider of voice, video, and data communication
- 406 Consumer devices / internet enabled appliances
- 407 Satellite communications

Others Electronics Industry

- 408 Computer systems & equipment
- 409 Industrial manufacturing / processing
- 410 Government, aerospace, military
- 411 Components, devices & subsystems manufacturing
- 412 R&D laboratories
- 413 Automotive electronics
- 414 Test & measurement instrumentation, medical equipment
- 420 / _____

B. Your principle job function: (Tick one answer only)

- 421 Design / Research & Development
- 422 Engineering / Production management
- 423 Corporate / General management
- 424 IS / IT management
- 425 Purchasing management
- 430 Other functions _____)

C. Please tick all products you recommend, specify or authorize.

| 264 <input type="checkbox"/> Displays, Monitors | 288 <input type="checkbox"/> None of the Above |

D. For your company location, please indicate the total number of employees: (Tick one answer only)

- 491 1,000 or more
- 492 500 to 999
- 493 250 to 499
- 494 100 to 249
- 495 50 to 99
- 496 Less than 50

H. Do you wish to receive promotional material from other companies?

- 303 Yes
- 304 No
